Pensons leaving town for the summer will do well to consult the watering-place

new ad interim government. TEN or twelve years ago 300,000 men little unpleasantness. About the same number are on their way now to settle our last little row and help to run the machine.

THE poet Whittier in writing to a friend asks, "will the next generation have men like Chase, Greeley, &c.Y' It is safe to answer in the negative so far as Greelev is concerned, and it is on the whole a good thing for the next generation.

PROLADEL BUA is apprehensive that when she has the Centennial buildings finished there will be nothing to put in them. Let her put her politicians in them, and exhibit them to an admiring world as the highest products of American statesmanship.

A WESTURN JOURNAL thinks that, in consideration of the superhuman exertions of Congressmen last winter to solve the finanallow them some rest and send other men brain tissue in Congress last session was

MRS. ABBY KELLEY FOSTER, at a WOMAD'S rights meeting on the Fourth, at Boston, offered a resolution, "that no honorable man can consistently support a Govern-"ment which disfranchises his wife and " daughter and degrades them to the politi-" cal companionship of paupers, idiots and "criminals." Mrs. Foster is the woman whose cows were taken some time ago by a cruel sheriff for taxes. It is needless to add that Mr. Foster died several years ago.

his friends style him, believes in the Demo- tract embraces only points definitely settled. cratic party with his whole heart and his The law also includes within its terms little admiring crowd that "we cannot af roads from other States into Wisconsin and

"think it inexpedient that the President they will doubtless spend their money in should be accorded a third term, and that the Legislatures, and we shall have more "is that the Herald's candidates have never scandal and more corruption. "been elected, though that profound organ "of public opinion perhaps might be able to "prove from its files that they had always won." The Post says, editorially : "Look-"ing at the matter from a party point of 'view, the first appearance of a third-term matter becomes somewhat serious."

While it is perfectly proper that any and pay the taxes in the shape of rents-and high rents at that. But there is another vary large class of real tax-payers here who their interests are much safer in the custody

them if they will not do so. There need talk, but is certainly very poor logic. The with any considerable degree of docility. The Commissioners are well out of swaddling-clothes and have long since discarded the pap-bottle.

THAT CONFEDERATE FLAG. A paper in Petersburg Va., remarkable for the devotion it exhibits toward the "lost cause," refers to the letter recently published in our columns, giving the particulars of the display of the Confiderate flag by a boat club at Lynchburg, refers to the circumstance in the following strain: "Now, "we would respectfully inquire what is it on any of these meddling and peddling "creatures what kind and color of flag may "be floated by gentlemen of Virginia on "their own" premises? If they choose to "fly the flag associated with so many mag," infloent victories over their enemies, "what would be considered with so many mag," infloent victories over their enemies, "what would be considered to the house over which these "better own," the seaking Paul Prys who are not addition, "How, then, does this paf-ball, this mate of the bouses over which these "battle-flags are reported to be hoisted," the seaking Paul Prys who are not addition, "How, then, does this paf-ball, this mate once to the meddling and peddling creatures what kinds and color of the paper will be found a careful come," the seaking Paul Prys who are not addition, when, does this paf-ball, this mate once to the meddling and peddling creatures what kinds and color of the paper will be found a careful come, "How the must not get any of these would be considered with so many mag," in the course of the paper will be found a careful come, "How the paper will be found a careful come," and then proceed to ask the question, "How, then, does this paf-ball, this means the seaking part to the world." The seaking Paul Prys who are not addition, when does not make much difference to the meddling and peddling creatures what colors a Virginia on the foundation of the paper will be found to the control of the paper will be foundation. The paper will be foundation to the control of the paper will be foundation to the paper will be foundation." The seaking Paul Prys who are not addition, divested of selectific technically and phraseology, of present knowledge relating to the A paper in Petersburg, Va., remarkable

"any such habit exists, as we gravely doubt."

"doubt."

Of course, it does not make much difference to the meddling and peddling contents of an another columns.

Readens of The National Republicance of the summer can have the paper mailed to their address for sixty-six cents per month, in adeance.

The number of disinterested patriots in all sections of the country who are anxious to help the new Commissioners in reforming the District government is hourly on the increase.

Every American citizen has an interest in Washington as the capital of the country that is no reason why every other one should want to have an office under the one should want to have an office under the one should want to have an office under the one should want to have an office under the one should want to have an office under the one should want to have an office under the one should want to have an office under the one should want to have an office under the one should want to have an office under the one should want to have an office under the one should want to have an office under the one should want to have an office under the one should want to have an office under the one should want to have an office under the one should want to have an office under the one of the country upon the subject than the foliation of the country in behalf of and in response to the demands of the Grangers. It was intended for this purpose, the definition of the country in behalf of and in response to the demands of the Grangers. It was intended for this purpose, and was the result of instance of the District of and in response to the demands of the Grangers. It was intended for this purpose, and was the result of instance of the District of and in response to the demands of the Grangers. It was intended for this purpose, and was the result of instance of the District of Public Works be, and the said oncers—and that all observes water the Late Board of Public Works be, and the said oncers—and that leads to report the Country. It is thought they are working industriously to be, and is sended is refer to water the country death of the District of Public Works be, and and the table Board of Public Works be, and the said oncers—and that leads on the subject of the District of Public Works be, and the said oncers—and that leads on the subject of the Dis

Inder which they were built were derived from the State. When it was put into execution the Chicago and Northwestern company complained that inasmuch as it reduced the tariff from four to three ents per ultimity in the country upon the subject than plant the interest of the country of the country upon the subject than the country upon the subject to the co marched down to Washington to settle that mile, it took twenty-five per cent. away from

under which it claims. The share and bondholders took their stock or their se-'curities subject to this paramount condi-"tion, and of which they in law had notice. ern editor. Of course they all saw double. cial and other problems, the people should "If the corporation by making a contract "or deed of trust on its property could "clothe its creditors with an absolute un"changeable right, it would enable the cor"poration by its own act to abrogate one of
"the provisions of the fundamental law of
"the State." The court concludes therefore that "as to the rates for the transit of in their places this fall. The waste of "clothe its creditors with an absolute un-

'power in the Legislature." A careful investigation of the full text of GOVERNOR McENERY, of Louisiana, as the decision shows that the foregoing exwhole soul. In a recent speech he told a property and persons transported on rail-"ford to cut loose from the Democratic from Wisconsin into other States. Regard-"party; we must be in active sympathy ing this point, the court expressed no opinsnd co-operation with it. It is the great ion, and it is understood that the case will party of the present, and is destined to be brought before the October term of the

"party of the present, and is destined to "control the affairs of the nation." It is sincerely to be hoped that the "Governor" will continue to cherish this sweet delusion. If he were to change his mind, as he is very apt to do, it would be rough on the Democracy, but it would be ten times rougher on the party to which he should go. McEnery is one of those men who is not a credit to any party.

The course of the New York Heraid upon the third-term question supplies another illustration of the truth of the popular saying, that it is impossible to please everybody. That journal for over a year has been fighting that it is impossible to please everybody. That journal for over a year has been fighting the control of the fighting the continuous lines of railways from the grain regions to the seaboard. The has been fighting the idea, and now a cor- the grain regions to the scaboard. The respondent writes to the Ecening Post, of remedy, then, for the Grangers is to comthe same city, that "the continuous and bine to effect the same condition of affairs "almost daily recurrence to the subject has in all the States of the Union-an underfamiliarized the public with the idea and taking, it must be admitted, which will re-'helped to build up a powerful party in quire money, time and almost endless labor. "favor of the project." The same corre- At the same time if must not be forgotten spondent writes somewhat inconsistently : that the railroad companies will not be idle There is one consolation for those who If they fail to defeat the law in the courts.

Ture New York Commercial Advertiser has the following in regard to Gen. Ketcham, of the District Commission, and his defeat for Congress by Whitehouse, who is now being uphold by some of the New York journals

as a model Congressman : "General Ketcham "proposition is preposterous, but when one has been elected to four successive passes in review the present condition of Congresses from the Dutchess and Colum-'party organizations and management the bla district-in years gone by a pronounced Democratic district. popular because of his war record and by force of his integrity and eleverness, (in the It has no superior in the market.

American sense,) and altogether he was a 133. W. M. GALT. all classes of citizens should meet and or man hard to beat in an open field fight, as his ganize for the protection and furtherance of continuous service of eight years in Congress heir own interests, there seems to be just a abundantly proves. Whitehouse, in 1872, was little spice of arrogance in the meeting of a ambitious of Congress. He was a Liberal and few property-owners, under the title of few property-owners, under the title of get votes. He had no show for an election "tax-payers"—and assuming to speak for until he opened his pocketbook and drew that large class of people who did not par-heavily upon his bank account. He went into ticipate in their proceedings, but who are the field purse in hand, and he came out the really as much or more the tax-payers of winner, as we have stated, a Congressman this District as themselves. There are many elect, at the sacrifice of what, to most men, large property-owners here against whom would have been a magnificent, not to say taxes are assessed, but who are only the princely, fortune, but to the millionaire channels through whom the taxes are passed Whitehouse, only a tithe paid to the aminto the treasury. The lessees of their im. bition of occupying an obscure seat in the proved property are the parties who really House of Representatives for two years, with another expenditure of greenbacks in reversion, if he expects to retain this empty honor of a second term. Such is the history of the model Congressman who beat the popular were not represented in the meeting of favorite in Dutchess and Columbia. General 'tax-payees' of last night.
